A. Answers to Questions:

1. Contractor required to notify the government once contract is at 85% completion, once product has actually delivered and received by recipient. This statement is in regard to the incremental funding clause.
2. Constraints must be entered in Wbscm.
3. Micro-ingredients do not require 100% domestic origin. Domestic origin document not needed.
4. Identify on offer if product can be palletized or not.
5. Comingled product is allowable. See (AGAR) Provisions and Clauses, (F). AGAR 470.103 (c) Commingled product. AGAR reference:
   (1) Except as provided in paragraph (c)(2) of this section, a commingled product shall be considered to be a product of the United States if the offeror can establish that the offeror has in inventory at the time the contract for the commodity or product is awarded to the offeror, or obtains during the contract performance period specified in the solicitation, or a combination thereof, a sufficient quantity of the commodity or product that was produced in the United States to fulfill the contract being awarded, and all unfulfilled contracts that the offeror entered into to provide such commingled product to the United States.
