A. Answers to Questions:

1. **Question:** What is the delivery period?

Answer: See Paragraph B.7.C: All deliveries will be between the 1st and 15th of the month or the 16th and the end of the month.

2. **Question:** When is the expected date of award?

Answer: The expected date of award is on or about 3/28/2016.

3. **Question:** In order to submit constraints I would need to know what month delivery would start....is it April-April? May-May?

Answer: If the contract is awarded on or about 3/28/16, and all delivery periods are required to be issued 90 days prior to the delivery date, then the first potential delivery date would be between July 1st and July 15th. Therefore, all offerors should submit constraints for the 1st through the 15th and the 16th through the end of the month, for all months from July 2016 through June 2017. If an order is placed on the last date of the contract, for example 3/27/2017, then that order can be delivered between 6/16/17 through 6/30/2017.

B. Changes to the Solicitation:

1. The following sentence is added after the second sentence of paragraph B.7.C:

“All delivery orders will be issued 90 days prior to the required delivery date.”

2. FAR 52.216-18 Ordering: The second sentence of paragraph (a) is replaced with the following:

“Such orders may be issued from the date of the award to 12 months thereafter.

3. FAR 52.216-22 Indefinite Quantity: The second sentence of paragraph (d) is changed to the following:

“The contract shall govern the Contractor’s and Government’s rights and obligations with respect to that order to the same extent as if the order were completed during the contract’s effective period; provided, that the Contractor shall not be required to make any deliveries under this contract after **100 days following the end of the effective period of this contract.**”
