Dried Fruit, SOLICITATION NO: 2000004054

The U.S. Department of Agriculture (USDA) invites offers to sell dried fruit pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, June 10, 2016. Deliveries are to be made between July 16, 2016 and January 31, 2017.

Per FDA regulations, the following minimum mandatory labeling requirements for all foods, whether sold or donated, must appear on the label: Name of the food, Manufacturer's name and location, Net weight of the product, Ingredients list, and Allergen declaration. These requirements are codified in 21 CFR 101.2, 101.3, 101.4 and 101.5. See the following link for a guidance manual:

<http://www.fda.gov/Food/GuidanceRegulation/GuidanceDocumentsRegulatoryInformation/LabelingNutrition/ucm064894.htm>

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

USDA will accept product produced in the preceding year as long as it was produced according to the applicable Commodity Specification and meets the requirements within.

For this solicitation "black and white" labels are acceptable.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in
