Canned and Frozen Fruit SOLICITATION NO: 2000004638

The U.S. Department of Agriculture (USDA) invites offers to sell canned and frozen fruit pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight April 28, 2017. Deliveries are to be made between October 1, 2017 and December 31, 2017.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Please note that there is a 30% small business set aside for material number 100239.

The requirements for checkloading by USDA Inspectors outlined in the Commodity Specifications for Canned Fruit and Frozen Fruit are NOT applicable to Purchase Orders issued under this solicitation, for the following products ONLY:

Peaches, Pears, Apricots, and Mixed Fruit.

Note: Checkloading may still be performed by USDA Inspections Staff as outlined in the commodity specifications, at the expense of the contractor, however it is not required for the products listed above.

Inspection of canned products must be performed not more than 18 months prior to shipment

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.
