compliance with the applicable solicitation requirements, contain the DUNS number for the product manufacturer be on the product manufacturer's company letterhead, and be signed by both parties.

A prospective contractor may be required to provide written evidence of a proposed responsibility of the subcontractor. The Contracting Officer may directly determine a prospective responsibility of the subcontractor.

8. Shipment/Delivery Schedule:

October 1, 2017 thru December 31, 2017

See Schedule of Supplies for period of performance. A WBSCM Purchase Order will be available at least seven calendar days prior to the first day of each period of performance scheduled in the contract. Contractor shall comply with the instructions in the WBSCM Purchase Order. If a WBSCM Purchase Order is available less than seven calendar days prior to the first day of the contracted period of performance, the performance period shall be extended by the number of days the WBSCM Purchase Order is available. Contractor shall not be entitled to any extension of the performance period unless it furnishes evidence satisfactory to the Government that it was prepared to perform during the contracted period of performance.

9. Other Requirements:

A. Seals on Transportation Conveyances

Suppliers of commodities, products and/or services shall be responsible for placing a seal(s) on all cargo doors of each transportation conveyance upon completion of loading, partial unloading, inspection, or servicing.

Seals must meet the American Society for Testing and Materials (ASTM) Standards. ASTM Standards may be found at <http://www.astm.org>. Seals shall be 1/8-inch diameter cable, high security bolt, barrier-type, or equivalent device which can only be removed by bolt cutter type tools. Seals shall be sequentially numbered. The contractor or its agent shall provide a sufficient number of barrier-type seals to ensure security of the load while in route through final destination. The seal numbers shall be documented on the Bill of Lading, which must be signed or acknowledged by the carrier or its agent.

Deliveries will be rejected, in which seals have not been used to secure all cargo doors, if:

- the seal listed on the Bill of Lading does not match the seal number recorded on the Bill of Lading;
- the seal is broken; the seal is missing, or the seal has been removed prior to the transportation conveyance reaching its unloading point.
- the seal is missing, or the seal has been removed prior to the transportation conveyance reaching its unloading point.
-

A rejected conveyance will only be accepted after a Condition of Container Inspection has been performed by Agricultural Marketing Services (AMS) or Federal Grain Inspection Service (FGIS). AMS or

FGIS must subsequently issue a Certificate of Quality and Condition that documents that the Condition of Container meets the applicable U.S. Standards for Condition of Food Containers. If this inspection is performed at a location other than the contracted delivery point all cargo doors must be sealed and the seal numbers documented by the Federal Inspection Agency on the Certificate.

Conditions of Container Inspections arrangements are available by accessing the AMS website at <http://www.ams.usda.gov/services/sci-contacts>

The Contractor is responsible for payment of all fees incurred as a result of a Condition of Container Inspection.

B. Contractor Past Performance Evaluation applicable for contracts exceeding the simplified acquisition threshold of \$150,000.

The Government will prepare a past performance evaluation at the time the work under the contract or delivery order is completed. Evaluation will rate performance areas such as, quality of product or service, cost control, timeliness of performance, business relations, and when applicable, performance against, and efforts to achieve the goals identified in the small business subcontracting plan. The evaluation will be entered into the Contractor Performance Assessment Reporting System (CPARS). Contractor will have an opportunity to comment on the Government evaluation. Details on access and use of CPARS will be provided to the Contractor at a future date. The past performance evaluation may be used by the Government to support future award decisions.

C. Advance Shipping Notice, ASN: The Contractor shall provide an ASN to the Goods Recipient identified on the WBSCM Purchase Order Item on the day of shipment for each conveyance. Contractors may upload multiple ASNs to the WBSCM system using an Excel template in a comma separated CSV format. Contractor must submit one invoice for each ASN. Each ASN must have a unique Bill of Lading number.

10. FAR and Agriculture Acquisition Regulation (AGAR) Provisions and Clauses:
In the event of a conflict between WBSCM and Federal Acquisition Regulation (FAR) terminology, FAR terminology shall take precedence.

A. This solicitation shall be subject to the terms and conditions of Master Solicitation for Commodity Procurements (MSCP) in effect as of the date of this solicitation. See attached MSCP. The FAR and AGAR provisions and clauses applicable to this solicitation are contained in the MSCP.

B. // Applicable if checked. FAR Clause 52.232-18, Availability of Funds (Apr 1984).
Funds are not presently available for this contract. The Government obligation under this contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are made available to the contracting officer for this contract and until the contractor receives notice of such availability, to be confirmed in writing by the contracting officer.
