DRIED FRUIT, SOLICITATION NO: 2000004973

The U.S. Department of Agriculture (USDA) invites offers to sell dried fruit pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, Wednesday, September 27, 2017. Deliveries are to be made between January 1, 2018 through June 30, 2018.

USDA will accept product produced in calendar year 2016 and calendar year 2017 as long as it was produced according to The Commodity Specification for Dried Fruit and meets the requirements within.

All product supplied for this Solicitation must meet minimum packaging requirements and FDA labeling requirements as outlined therein. Additionally, all labels must include at least two colors in addition to black and/or white

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this Solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. A "HELP" button provides detailed instructions or call (202) 720-4517 for assistance.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver. Inquiries about the Master Solicitation, dated April 2017; the Commodity Specification for Dried Fruit, dated September 2017; or this Solicitation should be directed to the Contracting Officer; USDA, AMS, Room 3522-South; 1400
