All line items for this solicitation are Coarse Ground Beef for Further Processing into Fully Cooked Items - Type 1, which determines the level of microbial testing required. Please review Sections 320.8.1 and 321.6 for Type 1 of Supplement 211, dated April 2016 for more information.

The Solicitation may show multiple stops on some line items, however, the number of stops will be limited to a maximum of three. To determine the number of destinations review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.
