Invitation Type : Definite Delivery

Additional requested information:

Tendering text - Header :

CHICKEN STRIPS, SOLICITATION NO: 2000005106

The U.S. Department of Agriculture (USDA) invites offers to sell Chicken Strips pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, December 15, 2017. Deliveries are to be made between January 16, 2018, and March 31, 2018.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

In order to submit offers on this Solicitation, offerors must be deemed eligible by the Contracting Officer. Product purchased under this Solicitation will be produced according to the Federal Purchase Program Specification (FPPS) for Chicken Strips dated March 2017; Supplement 801 dated March 2017; and eligible supplier's approved technical proposal. Please review the changes in Supplement 801 for Chicken Strips dated March 2017 and update your technical proposals to Food Safety and Commodity Specification (FSCS) Division if necessary.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. A "HELP" button provides detailed instructions or call (202) 720-4517 for assistance.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver. Inquiries about
