CANNED MEATS, SOLICITATION NO: 2000006538

The U.S. Department of Agriculture (USDA) invites offers to sell Canned Meats pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, November 19, 2019. Deliveries are to be made between January 1, 2020 - March 31, 2020.

For this solicitation, USDA will accept materials #100127, #100138, #100139 and #100526 packed in 24/24 oz. pouches or cans, provided the offerors technical proposal has been approved by AMS Livestock, Poultry and Seed program prior to award of a contract. All other products and processing requirements indicated in Supplement 704, dated October 2019 shall apply to pouch offered.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

In order to submit offerors on this Solicitation, Offerors must be deemed eligible by the Contracting Officer. Product purchased under this Solicitation will be produced according to the applicable Item Description and Checklist of Requirements and eligible supplier's approved production plan.
