Contractors may choose to perform contractor checkloading in lieu of grader checkloading. The AMS grader will still be present during production for certification compliance but is not required to be present during checkloading. A USDA Poultry Products Grading Certificate would not be issued or required to accompany the load. If contractor checkloading is chosen, the following are required in lieu of Section 860 of the FPPS:

Requirements – Inspection for final contract compliance shall be made by the Contractor, in accordance with 7 CFR § 70, FSIS regulations, and this FPPS. The quality, quantity, weight, packaging and packing of the commodity shall be evidenced by a Certificate of Conformance that verifies the designated commodity to be shipped meets all the requirements as stated in this FPPS, MSCP-D and Solicitation. Inspection records shall be complete and made available to USDA, as requested, to assure contract compliance

Contractor Checkloading - the contractor shall perform checkloading examinations as described in the FPPS at the time of shipment and issue a Certificate of Conformance which can be found in the MSCP-D. Contractor is also required to provide an acceptance document to accompany each shipment. Further details are found in the AMS MSCP-D, Section 4A52.247-3 for Bill of Lading Notations.

The above product definitions contain changes to the commodity specification that shall take precedence throughout the entire commodity specification.
