PASTA PRODUCTS, SOLICITATION NO: 2000006696

The U.S. Department of Agriculture (USDA) invites offers to sell Pasta Products pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by 5pm CT on January 30, 2020. Deliveries are to be made between March 1, 2020 to June 30, 2020.

This Acquisition has a Set-Aside of 30% Small Business. Bids received for these set-aside quantities from firms who are not small business concerns will not be considered. In the event the Government is unsuccessful in contracting with an eligible small business concern(s) for the set-aside quantities, the Government may award the quantities to other than small business concerns. The Contracting Officer reserves the right to utilize Federal Acquisition Regulation Part 19.507 Automatic dissolution of a small business set-aside.

Any small business concern proposing to furnish a product that it did not itself manufacture must furnish the product of a small business manufacturer on the AMS CPS Qualified Bidders List and, by the offer due date/local time, submit the corresponding supplier agreement to, Attention: Contracting Officer. The supplier agreement shall: be in effect between the offeror and the product manufacturer for the period of contract performance, certify compliance with the applicable solicitation requirements, contain the DUNS number for the product manufacturer, be on the product manufacturer's company letterhead, and be signed by both parties.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. A "HELP" button provides detailed instructions or call 877-927-2648 for assistance.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver.
