FROZEN HAM PRODUCTS SOLICITATION NO: 2000006730

This invitation for bids is part of the Food Purchase and Distribution Program under the authority of the Commodity Credit Corporation (CCC), with the purpose to assist farmers in response to trade damage from unjustified retaliation. Funding for this purchase is under Section 5 of the CCC Charter Act. Acceptances will be announced by midnight, February 17, 2020. Deliveries are to be made between April 1, 2020 through June 30, 2020.

In accordance with Federal Acquisition Regulation (FAR) 52.203-2 (as found in SAM.gov representations and certifications) offerors have certified that the prices in their offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other offeror or competitor. In accordance with procedures outlined in FAR 3.301, suspicion of collusive activities shall result in a rejection of the offeror(s) by the contracting officer. As such, contracting personnel are an important potential source of investigative leads for antitrust enforcement; USDA/AMS is required by 41 U.S.C. 3707 and 10 U.S.C. 2305(b)(9) to report any bids or proposals that evidence a violation of the antitrust laws.

Hams are to be delivered fresh chilled or frozen as indicated by product type.

Materials 100182 and 100891 are "Full and Open" Competition.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime offerors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.
