Opening date: 04/13/2020 14:00:00  
  
Invitation Type : Definite Delivery

### Additional requested information:

#### Tendering text - Header :

CHICKEN STRIPS, SOLICITATION NO: 2000006841

This invitation for bids is part of the Food Purchase and Distribution Program under the authority of the Commodity Credit Corporation (CCC), with the purpose to assist farmers in response to trade damage from unjustified retaliation. Funding for this purchase is under Section 5 of the CCC Charter Act. Acceptances will be announced by midnight, April 27, 2020. Deliveries are to be made between July 1, 2020 and September 30, 2020.

For this solicitation, product must be delivered in 5 LB package only. Vendors shall comply with retail consumer labeling requirements, including a Nutrition Facts Panel and cooking/heating/handling instructions on the primary package.

See Section 4A52.211-4 Commodity/Packaging Labeling Requirements (Mar 2019) in the Master Solicitation for Commodity Procurement # Domestic.

This Solicitation includes the following changes to the FPPS for Cooked Chicken Strips dated March 2017:

Chicken Strips (110462) # Frozen, fully cooked, chicken strips, produced from ready-to-cook boneless, skinless chicken meat of either white and dark meat, or all white meat. The commodity shall be packaged 5 or 10 pounds per plastic-film bag to a net weight of 30 pounds in each fiberboard shipping container totaling 39,000 pounds.

Potential contractors are not required to submit a production plan or sample prior to bidding.

Contractors may choose to perform contractor checkloading in lieu of grader checkloading. The AMS grader will still be present during production for certification compliance but is not required to be present during checkloading. A USDA Poultry Products Grading Certificate would not be issued or required to accompany the load. If contractor checkloading is chosen, the following are required in lieu of Section 860 of the FPPS:

Requirements # Inspection for final contract compliance shall be made by the Contractor, in accordance with 7 CFR § 70, FSIS regulations, and this FPPS. The quality, quantity, weight, packaging and packing of the commodity shall be evidenced by a Certificate of Conformance that verifies the designated commodity to be shipped meets all the requirements as stated in this FPPS, MSCP-D and Solicitation. Inspection records shall be complete and made available to USDA, as requested, to assure contract compliance

Contractor Checkloading - the contractor shall perform checkloading examinations as described in the FPPS at the time of shipment and issue a Certificate of Conformance which can be found in the MSCP-D. Contractor is also required to provide an acceptance document to accompany each shipment.

**SOLICITATION**  
**Domestic Commodity Invitation**

**Information**

Description: **12-3J14-20-B-0318**  
 Bid invitation number: **2000006841**

Further details are found in the AMS MSCP-D, Section 4A52.247-3 for Bill of Lading Notations.

The above product definitions contain changes to the commodity specification that shall take precedence throughout the entire commodity specification

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.

Purchases will be made on an f.o.b. destination basis to cities on this Solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

In accordance with Federal Acquisition Regulation (FAR) 52.203-2 (as found in SAM.gov representations and certifications) offerors have certified that the prices in their offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other offeror or competitor. In accordance with procedures outlined in FAR 3.301, suspicion of collusive activities shall result in a rejection of the offeror(s) by the contracting officer. As such, contracting personnel are an important potential source of investigative leads for antitrust enforcement; USDA/AMS is required by 41 U.S.C. 3707 and 10 U.S.C.2305(b)(9) to report any bids or proposals that evidence a violation of the antitrust laws.

In order to submit offers on this Solicitation, offerors must be deemed eligible by the Contracting Officer. Product purchased under this Solicitation will be produced according to the Supplement 801 dated March 2017; and eligible supplier's approved technical proposal. Please review the changes in Supplement 801 for Chicken Strips dated March 2017 and update your technical proposals to Food Safety and Commodity Specification (FSCS) Division if necessary.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. A "HELP" button provides detailed instructions or call (202) 720-4517 for assistance.
