CANNED MEATS, SOLICITATION NO: 2000007222

This invitation for bids is part of the Food Purchase and Distribution Program under the authority of the Commodity Credit Corporation (CCC), with the purpose to assist farmers in response to trade damage from unjustified retaliation. Funding for this purchase is under Section 5 of the CCC Charter Act. Acceptances will be announced by midnight, September 3, 2020. Deliveries are to be made between October 1, 2020 and December 31, 2020.

In accordance with Federal Acquisition Regulation (FAR) 52.203-2 (as found in SAM.gov representations and certifications) offerors have certified that the prices in their offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other offeror or competitor. In accordance with procedures outlined in FAR 3.301, suspicion of collusive activities shall result in a rejection of the offeror(s) by the contracting officer. As such, contracting personnel are an important potential source of investigative leads for antitrust enforcement; USDA/AMS is required by 41 U.S.C. 3707 and 10 U.S.C. 2305(b)(9) to report any bids or proposals that evidence a violation of the antitrust laws.

For this solicitation canned meats will be filled into cylindrical cans.

This Solicitation includes the following changes:

**** For canned pork only: In addition to the packaging specification outlined in the supplement attached and dated October 2019, the Government will also accept packaging compliant with the FPPS dated March 2016. Upon notification of award, the successful awardee is required to notify the contracting officer of the proposed quantity of packaging that will be delivered using the FPPS dated March 2016. The Government reserves the right to determine which WBSCM purchase order line items will be delivered with FPPS dated March 2016 compliant packaging.****

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.

For offshore destination (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination to the port.
