### Domestic Commodity Invitation

#### Bid invitation Overview

Bid Timezone: Central Time  
Start Date: 01/04/2021 13:00:00  
Offer Due Date : 01/15/2021 13:00:00  
  
Opening date: 01/15/2021 13:00:00  
  
Invitation Type : Definite Delivery

#### Additional requested information:

##### Tendering text - Header :

The U.S. Department of Agriculture (USDA) invites offers to sell fresh milk pursuant to the AMS Master Solicitation for use in Federal Food and Nutrition Assistance Programs. This solicitation is issued under the authority of Section 32. Bids are due on January 15, 2021 by 1PM CT. Acceptances will be announced by 5PM CT, on January 25, 2021. Deliveries are to be made from February 22, 2021 to March 31, 2021.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, may submit a list of their processing plants, as listed on the FDA Interstate Milk Shippers list, and shipping points in a separate document to be uploaded in WBSCM and to be submitted with their bids.

This solicitation does not include any lots, also known as multi-stop deliveries. Quantities listed for each line are the total quantity for the indicated destination during the indicated delivery period. Quantities listed on each line are standalone quantities and are not associated with other quantities or destinations. All contract terms, as provided in the Master Solicitation, remain in effect. This solicitation contains deliveries only for the states of Idaho, Maine, Montana, Washington, Vermont, and Connecticut.

For materials 111173, 11174, and 11176, each case is one unit of 64 fluid ounces, one half-gallon. Liquidated damages will be assessed at the rate of \$0.30/cwt/day late. This solicitation is subject to an economic price adjustment as outlined in the attached document. Constraints must be submitted as an attachment to the bid.

Purchases will be made on an f.o.b. destination basis to cities on this solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

This acquisition is unrestricted.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures. Instructions for using the export/import feature to input pricing and WBSCM instructions for bidding on large invitations are available on the AMS website. A #HELP# button provides detailed instructions or call (202) 720-4517 for assistance.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver. Inquiries about the Master Solicitation dated August 13, 2020, the Commodity Requirements for Fluid
