SOLICITATION NO: 2000007607

The U.S. Department of Agriculture (USDA) invites offers to sell Dried Fruit pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, March 12, 2021. Deliveries are to be made between April 16, 2021 - August 31, 2021.

The specialist for this solicitation is Shelia Tucker, [Shelia.Tucker@usda.gov]. The contracting officer for this solicitation is Kyla Stoufer (Kyla.Stoufer@usda.gov). Please contact the specialist first, with questions regarding the requirements of this solicitation. Do not discuss your bid prices with the specialist or contracting officer before award.

For this solicitation products produced from the 2020 crop year will be accepted.

As a result of the Checkloading Phase Out Program, the requirements for check loading Dried Fruit by USDA inspectors outlined in the attached Commodity Specifications are No Longer applicable. Note- Checkloading may still be performed on all, or part of the deliveries at the request and expense of the contractor; however, it is not required for Dried Fruit awarded under this solicitation. Also, SCI will conduct periodic verifications of the vendors commercial practices to ensure they meet the contractual requirements.

Offerors should take into account their processing capacity due to COVID regulation constraints when bidding to ensure they are able to meet the delivery deadlines.

\*\* For a new-to-USDA contractor and existing contractors who are bidding on new products, a probationary period may be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor\*\*

Per FDA regulations, the following minimum mandatory labeling requirements for all foods, whether sold or donated, must appear on the label: Name of the food, Manufacturer's name and location, Net weight of the product, Ingredients list, and Allergen declaration. These requirements are codified in 21 CFR 101.2, 101.3, 101.4 and 101.5. See the following link for a guidance manual:
