CONSTRAINTS

If applicable, constraints must be entered in truckloads NOT cases, pounds, etc. Constraints may overlap by product and delivery window. If an offeror has no constraints for a given product, they are not required to enter constraints.

ATTRIBUTE QUESTIONS

Questions must be answered accurately, in full, and with the most up-to-date information.

ADDITIONAL NOTICES

For a new-to-USDA contractor and existing contractors who are bidding on new products, a probationary period may be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five truckloads of product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three and a final destination. To determine the number of destinations, review the item "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port.
