Reports :: Bid Array

Current Scenario [1] Default Scenario Status: Current Data Status: Current |

This report provides a concise overview of the allocations in the scenario. Unlike other post optimization reports this report shows all items whether they are allocated or not. The number of bids in the report corresponds to the maximum number of bids on an item in the event. The maximum number of bids in the Excel download of this report will be 62 bids due to the 256 column limit in spreadsheets that exists in Microsoft Excel.
