The U.S. Department of Agriculture (USDA) invites offers to sell frozen ham products pursuant to the AMS Master Solicitation for use in the National School Lunch Program and other Federal Food and Nutrition Assistance Programs. Acceptances will be announced by midnight, July 26, 2024.

Deliveries are to be made between September 1, 2024 through October 31, 2024.

The Contract Specialist for this solicitation is Lauren Heer (lauren.heer@usda.gov) and the Contracting Officer is Adele Jackson-Croal (adele.l.croal@usda.gov). Any questions or concerns regarding this solicitation should be addressed to the specialist first.

For a new-to-USDA contractor and existing contractors bidding on new products, a probationary period will be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

The Government reserves the right to reject, in total or in part, manufacturers lots, sub-lots, production dates or the like when non-conforming product is identified.

Domestic Origin # All meat shall originate from livestock that are born, raised, and harvested in the United States, its territories or possessions (U.S.) If the establishment receives and processes livestock from outside the U.S., a segregation plan shall be put in place to preclude nonconforming product from being introduced into Federal nutrition assistance programs.
