Deliveries are to be made between October 01, 2024 through October 31, 2024.

The Contract Specialist for this solicitation is Lauren Heer (lauren.heer@usda.gov) and the Contracting Officer is Carrie Meyers, (Carrie.Meyers@usda.gov). Any questions or concerns regarding this solicitation should be addressed to the specialist first.

Materials 100173 and 100193 are "Full and Open".

Domestic Origin: All meat shall originate from livestock that are born, raised, and harvested in the United States, its territories or possessions (U.S.) If the establishment receives and processes livestock from outside the U.S., a segregation plan shall be put in place to preclude nonconforming product from being introduced into Federal nutrition assistance programs.

\* \* For a new -to-USDA contractor and existing contractors bidding on new products, a probationary period will be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

This Solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the City and State for each stop. Bidders may submit different prices for each stop.
