Additional requested information:

Tendering text - Header :

Section 32 Swiss Cheese, SOLICITATION 12-3J14-24-B-0577 WBSCM NO: 2000010284

The U.S. Department of Agriculture (USDA) invites offers to sell SWISS CHEESE pursuant to the AMS Master Solicitation for use in the domestic food distribution programs. This solicitation is issued under the authority of Section 32. Bids are due by 1pm CT on August 19th, 2024. Acceptances will be announced by 5pm CT on August 30th, 2024. Deliveries are to be made between October 16th, 2024 THROUGH March 31st, 2025.

This Acquisition is Unrestricted.

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the city and state for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot. For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port. Purchases will be made on an f.o.b. destination basis to cities on this solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.

This solicitation must be manufactured in a plant approved by USDA Dairy Programs.

Offers must be submitted electronically via the Web-Based Supply Chain Management System (WBSCM). Offers submitted by any means other than WBSCM will be deemed nonresponsive. Offerors must be active in WBSCM and have the required bidder roles in order to submit offers under this solicitation. Once connected, follow the online procedures.

For a new-to-USDA contractor and existing contractors who are bidding on new products, a probationary period may be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

Offerors are cautioned to bid only quantities they can reasonably expect to produce and deliver. Inquiries about the Master Solicitation, the Commodity Requirements Document, or this Solicitation should be directed to the Contracting Officer; USDA, AMS, Commodity Procurement Program, Proteins, Grains, and Oilseeds Procurement Division; 1400 Independence Avenue, S.W. S-0239; Washington,
