Again not enough comparable trades to test trends. Demand moderate this last full week before the holidays. Cattle futures traded in the red several days ahead of the Cattle on Feed report. Buyers continued moderately active as we head into the two weeks of holidays and most all sales are close.   Supply included: 100% Feeder Cattle (93.3% Steers, 6.7% Heifers). Feeder cattle supply over 600 lbs was 100%. Unless otherwise noted, Feeder Cattle prices FOB based on net weights after a 2-3% shrink or equivalent, with a 10 cent slide > 600 lbs. Livestock reported this week originated from MO, NE, WY.
