Livestock Weighted Average Report for 1/21/2025 - Final

AUCTION

	This Week	Last Reported 12/3/2024	Last Year
Total Receipts:	5,700	2,602	4,448
Feeder Cattle:	5,700(100.0%)	2,602(100.0%)	4,448(100.0%)

First reported sale in more than a month, no recent price comparison available. Very good demand for this large offering of very high quality feeder steers and heifers. Many long strings offered, many full load lots and multiple load lots. Buyers were able to make full feedyard pens of uniform cattle from single outfits, and they were quick to bid to secure these fancy, ranch raised, western cattle. The market was incredibly active as the cash fed cattle market topped at 206.00 last week and cattle feeders are feeling very bullish about the market. The cattle were very eye appealing as the flesh was light to moderate, and the cattle were clean and open haired, making them very easy to sell. Supply included: 100% Feeder Cattle (55% Steers, 45% Heifers). Feeder cattle supply over 600 lbs was 81%.

FEEDER CATTLE

STEERS - Medium and Large 1 (Per Cwt / Actual Wt)

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
