Livestock Weighted Average Report for 1/20/2025 - Final

AUCTION			
	This Week	Last Reported 1/13/2025	Last Year
Total Receipts:	6,306	7,167	5,365
Feeder Cattle:	6,306(100.0%)	7,167(100.0%)	5,365(100.0%)

Compared to last week: Feeder steers and heifers unevenly steady. Good demand for this very large offering of high quality feeder cattle. Flesh condition ran heavier this week as more cattle are showing the effects of a dry winter and rather easy growing conditions, for January in the northern plains. The market remains very active but it is flesh dependent, cattle feeders are facing very high breakevens and need cattle to gain as efficiently as possible. The good, green cattle are easy to sell and reach up to last week's prices, but those that are over fleshed have a harder time finding bids. Cash fed cattle up to 206.00 is keeping cattle feeders feeling bullish. A very cold day here, with the daytime high at -10, did not affect the market as there were plenty of buyers ready to buy cattle. Supply included: 100% Feeder Cattle (50% Steers, 50% Heifers). Feeder cattle supply over 600 lbs was 77%.
