The sale demand was very good from start to finish. The market was active with the order buyers really being aggressive to get cattle bought. The feeder cattle continue to carry a attractive flesh condition, with very few in a fleshy condition. The local producers seem to be retaining heifers, as the steers greatly out numbered the heifers. The CME January feeder board closed the day at 277.275 which is driving the market at the sale barn. The next USDA reported sale at Stockmen's will be January 30. Supply included: 100% Feeder Cattle (73% Steers, 27% Heifers, 0% Bulls). Feeder cattle supply over 600 lbs was 73%.
