* * For a new-to-USDA contractor and existing contractors who are bidding on new products, a probationary period may be implemented in which awards are limited to 10 (ten) truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product in order to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, must submit a list of their approved processing plants and shipping points on a separate sheet of paper to be uploaded in WBSCM, and to be submitted with their bids.
