BISON PRODUCTS, SOLICITATION 12-3J14-24-B-0438 WBSCM NO: 2000010128

The U.S. Department of Agriculture (USDA) invites offers to sell Bison pursuant to the AMS Master Solicitation for use in the domestic food distribution programs. Bids are due on May 30, 2024. Acceptances will be announced by 11:59 pm CT on June 5, 2024. Deliveries are to be made between August 1, 2024, and September 30, 2024.

The Contract Specialist for this solicitation is Kevin Day, Kevin.Day@USDA.gov and the Contracting Officer is Carrie Meyers, Carrie.Meyers@USDA.gov. Any questions or concerns regarding this solicitation should be addressed to the specialist first.

Domestic Origin # All meat shall originate from livestock that are born, raised, and harvested in the United States, its territories or possessions (U.S.) If the establishment receives and processes livestock from outside the U.S., a segregation plan shall be put in place to preclude non-conforming product from being introduced into Federal nutrition assistance programs.

For a new -to-USDA contractor and existing contractors bidding on new products, a probationary period will be implemented in which awards are limited to 10 truckloads per product. Contractor must demonstrate successful delivery of at least five (5) truckloads of product to be removed from probationary status on future solicitations. For the purposes of this rule, successful delivery is defined as product delivered on-time and in acceptable condition according to the terms and conditions of the contract. Any delivery problems directly attributable to the Government will not be held against the contractor.

This solicitation may show multiple stops on some line items; however, the number of stops will be limited to a maximum of three. To determine the number of destinations, review the "Tendering Text" for the lot, which will indicate the city and state for each stop. Bidders may submit different prices for each stop. However, a price is required on all line items within the lot.

For offshore destinations (Puerto Rico, Hawaii, etc.), offerors have the option to choose to enter their bids direct to the offshore destination or to the port. Offshore destination ports: Guam (O-LA; Los Angeles, CA), Hawaii (O-LA; Los Angeles, CA), Puerto Rico (O-JACK; Jacksonville, FL) and Virgin Island (O-PEVE; Port Everglades, FL). Purchases will be made on an f.o.b. destination basis to cities on this solicitation. Destination quantities listed are estimates and subject to adjustment based on offerings, changes in recipient needs, market conditions, and program operations.

The Government reserves the right to reject, in total or in part, manufacturers lots, sub-lots, production dates or the like when non-conforming product is identified.

Offerors who intend to use more than one processing plant and shipping point for contracts awarded under this solicitation, other than the processing plant and shipping point entered in their bids, must
