The USDA Agricultural Marketing Service is proud to present the 2014 edition of the Annual *LPGMN Statistics Summary*, which contains market price information for cattle, hogs, and sheep, as well as beef, pork, lamb, veal, various livestock by-products, poultry, eggs and grain. As in previous years, this annual summary also provides actual livestock slaughter and meat production data supplied by the USDA National Agricultural Statistics Service, whose contributions to this book are always appreciated.

While this publication contains a wealth of valuable information, the Annual *LPGMN Statistics Summary* is only a condensed version of the market data that is actually available. More detailed historical market information and statistics for all of the reported commodities are available upon request from the Livestock, Poultry and Grain Market News office in Des Moines, Iowa. Furthermore, for current market reports and publications, visit our web site at www.ams.usda.gov/lpsmarketnewspage.

We appreciate this opportunity to serve you and hope that the *2014 Annual LPGMN Statistics Summary* proves useful in the coming years. Please feel free to contact our office if we can ever be of service.
