## **BUNCHED ITALIAN SPROUTING BROCCOLI**

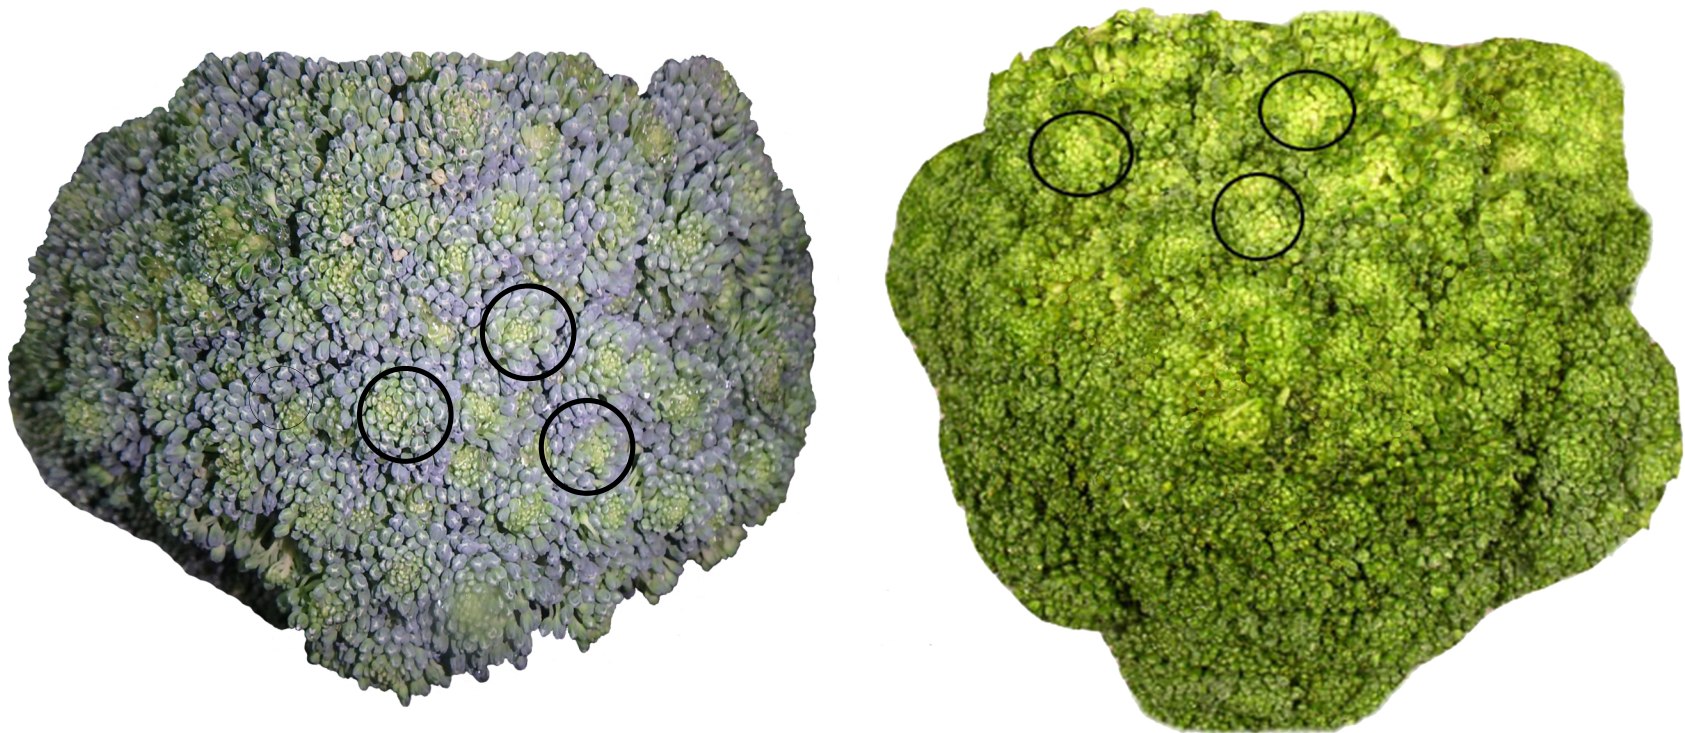

### **FOR IDENTIFICATION ONLY**

The two stalks above are bunched together and are not a defect. The most desirable color for broccoli stalks is from green to dark green. However, some varieties of broccoli have a purplish to blue color. There are no color requirements for broccoli, therefore, this is not a defect.

**BRO-1-IDENT  
APRIL 1997**

## **Starring on Broccoli** **(Whitish-Yellow to Light Green Patterns on Crown)**

**The areas depicted above (starring) are NOT scored as a defect.  
Starring may be reported at applicant's request.**
