

International Commodity Procurement Division – ICPD

Director: Todd Shuck

Bulk Commodity Procurement & Support Branch Chief: Jessica Howlett

Packaged Commodity Procurement Branch: Dan Webber

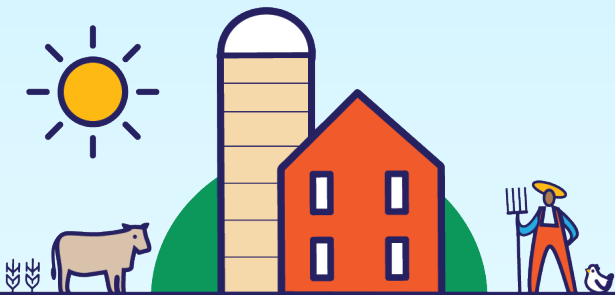

ICPD Mission

Our mission is to ensure timely and efficient provision of high-quality, safe food products to international humanitarian food assistance programs, provide expertise in the development and delivery of safe and nutritious food assistance, and implement statutory mandates and achieve departmental goals for preference programs through procurement activities.

What we do:

- Purchase bulk and packaged agricultural commodities
- Serve our customer agencies and their food assistance programs
 - U.S. Agency for International Development
 - USDA/Foreign Agricultural Service
