1/ Includes sales in each area by handlers regulated under the respective order and handlers regulated under other orders. Sales routes of some handlers may extend outside defined marketing areas; therefore, some in-area sales may be partially estimated.

2/ Effective April 1, 2006, the producer-handler definition provisions of these orders were amended to eliminate the exemption from the pooling and pricing provisions of the orders for producer-handlers with in-area route disposition in excess of 3 million pounds per month.

3/ The in-area sales data for this order does not include all the sales in the marketing area through April 2006 due to the reporting exemption of fluid milk processors located in Clark County, Nevada. Effective May 1, 2006, the marketing area for this order was contracted with the removal of Clark County. The name of the order was changed from Arizona-Las Vegas to Arizona.

4/ Effective April 1, 2004, the order regulating this marketing area was terminated. Data for 2004 are for January through March.
