**Definitions**

**Damaged Unit:**

Any unit which possesses:

- area of green or light colored or light brown bruise larger than 1/2 inch circle, or
- light brown bruise more than 1/4 inch deep, or
- area of red peel larger than 1/4 inch circle, or
- Is materially affected as to appearance or eating quality by blossom end material, dark brown bruise, or other internal or external discoloration, or by other means.

**Seriously Damaged Unit:**

Any unit which is damaged to such an extent that the appearance or eating quality is seriously affected.

<sup>1</sup> Limiting rule

<sup>2</sup> Provided extraneous matter, damaged and seriously damaged units singly or in combination, do not materially, or seriously affect the appearance or eating quality. (As applicable)
