

**Official Listing of USDA Peanut Aflatoxin Laboratory Approval Program
Participants**

(Revised List Effective January 01, 2017 through December 31, 2017)

The participants listed below have been evaluated by the United States Department of Agriculture, Agricultural Marketing Service, and have been found to be in conformance with the requirements of USDA, AMS Aflatoxin Laboratory Approval Program (Aflatoxin LAP). This Aflatoxin LAP is to assure participant laboratories perform validated confirmatory analysis of aflatoxins in almonds, pistachios and peanuts. Annual approval is valid through December 31, 2017.
