

The Federal Grain Inspection Service

OUR MISSION

To facilitate the marketing of U.S. grain, oilseeds, pulses, rice, and related commodities for the overall benefit of consumers and American agriculture.

OUR VISION

The proven leader in meeting the quality and quantity measurement needs of those who produce, market, and process U.S. cereals and oilseeds.

FACTORS CRITICAL TO OUR SUCCESS

- ◆ The credibility of our service must be unquestionable.
- ◆ The cost must be acceptable (Of good value).
- ◆ Our results must be accurate and consistent nationwide.
- ◆ Our services must be responsive to market demands.
