

EQUIPMENT AND SUPPLIES PROVIDED BY QAD

QAD supervisors will provide the following to personnel to provide requested services:

1. Grading certificates, worksheets, memorandums, and other required forms.
2. Other report forms.
3. Complete set of procedures.
4. Official grading stamps.
5. A government lock for the files.
6. File folders for grader's records.
7. USDA office sign.
8. Official identification card.
9. Proper safety equipment including hardhat and hearing protection when required.
10. An acceptable flashlight and batteries to perform pre-operative sanitation inspections in poorly lighted areas where additional lighting is required. Minimum flashlight requirements include light output meeting ANSI FL 1 standards rated at a minimum of 900 lumens.
