

Attachment 60 from June 2001 Minutes: Transcript of Materials Committee Action Items

MATERIALS COMMITTEE

MS. BURTON: The one action item from the Materials Committee is just recommending the procedures for amending the National List. This is the same document that I gave yesterday, except that I removed the 45-day public comment period after the publication section, which is number three.

There's no such thing as a public comment after finally published.

So I move that we recommend this document to the NOP.

MS. BRICKEY: Is there a second?

MR. CARTER: Second.

MS. BRICKEY: Is there discussion? Who seconded it? Dave.

Is there discussion?

All those in favor, please signify by raising your right hand. Opposed. All right. The recommendation is adopted.
