Motion for Extension of Time for Filing Post-hearing Brief and  
Proposed Corrections to the Transcript

Marvin Beshore, counsel for proponent cooperatives, respectfully requests that the time for filing of the post-hearing brief and proposed corrections to the transcript in this matter be extended from January 5, 2018 for three business days until January 10, 2018.

Ms. Erin Taylor, the lead AMS Dairy Program representative at the hearing is not available today. I have been unable, prior to the filing of this motion, to reach anyone else within AMS Dairy Program to determine their position on this request. Attorney Brian Hill, of the Office of General Counsel, who represented the Agency at the hearing has stated that he does not object.

Respectfully submitted,
